ARTES C&G MegaConstellations
Announcement of Activity

In the context of the Megaconstellations (MC) opportunity, the European Space Agency (ESA) would like to offer to the industry of the ARTES C&G participating states the possibility for an early notification of their intent to submit a proposal.

The purpose of this announcement is to initiate the process between ESA, Industry and National Delegations, which may eventually results in an MC ARTES C&G activity.

Should you intend to submit a proposal related to the Megaconstellations opportunity, please complete and return the attached form to ESA (ARTES-CG@esa.int).

The provision of this information is a mandatory requirement in the Calls for Proposals MC AO5891, MC AO8468 and MC AO8793.

This announcement of activity will be disclosed to the National Delegation(s) of the country or countries identified in this form.

ESA will not acknowledge receipt of this announcement, however should you require additional information please contact ARTES-CG@esa.int.
